

Children's Heart Foundation

Rub-A-Dub-Rug Carpet Cleaning wants to give something back to its community, but it needs the help of 200 volunteers to do so!!

Kelly Abercrombie and his father Vance Abercrombie, owners of Rub-A-Dub-Rug Carpet Cleaning, recently revealed their plans to promote Children's Heart Foundation, raising \$5,000 by March 31st, 2009. "Children's Heart Foundation needs our help in these troubled times. With the struggling economy, people simply aren't donating as much as they normally would, and we want to help," said Kelly Abercrombie. "It's our version of 'paying it forward,'" he added.

The Abercrombie's plan is simple. In order to raise \$5,000 by the target date, Rub-A-Dub-Rug is looking for 200 volunteers to promote Children's Heart Foundation. Each person who gives Rub-A-Dub-Rug a check for \$25 made out to Children's Heart Foundation will receive up to 150 sq feet of free carpet cleaning.

"The value of this free cleaning is more than \$50, so it's a win-win for everyone," said Vance Abercrombie. "We give the homeowner \$50 of free professional services and they in turn give Children's Heart Foundation the help they need to raise funds that will provide continued support for children and families challenged with facing heart disease."

The Abercrombie's goal is to motivate other service companies to also give back to the community by following Rub-A-Dub-Rug Carpet Cleaning's lead. This offer is limited to residential homeowners living in Las Vegas, North Las Vegas and Henderson, Nevada. For more information, contact Rub-A-Dub-Rug at 702-630-4000.

Call **630-4000** today and help your community!
